

MODEL SAILBOAT REGATTA PRESENTED BY DOWNTOWN PARTNERSHIP AND OCEAN RACE CHESAPEAKE

In the spirit of competition and camaraderie, Downtown Partnership's Model Sailboat Regatta celebrates the Volvo Ocean Race, fosters Downtown pride and, most of all, is an opportunity to have fun. We encourage your entire staff and their families to attend, whether to participate or cheer on your team(s).

We hope you will join us for the inaugural Downtown Partnership Model Sailboat Regatta, which will be held during the Volvo Ocean Race Port Stop in the Inner Harbor on Wednesday, May 3 from 5:00 p.m. until 8:00 p.m.

Your company can get involved in the Corporate Regatta and/or Family Regatta. All companies may enter between one (1) and four (4) sailboats in each class.

The Boats

The Corporate and Family teams will race remote control model sailboats provided by Downtown Partnership. You will receive a CR-914 model yacht as part of your entry fee to the Partnership's Model Sailboat Regatta. CR-914's are great model sailboats for racing in the Inner Harbor. They are fast and responsive and handle many wind speeds and wave conditions with ease. CR-914 are the most popular RC model sailboats in the world. The CR-914 sailboat measures 3 feet long (914mm), 5 feet high and it weighs about 6 lbs. It is easily stored and transported without the need to breakdown the mast and rigging.

The Race Schedule

On race day, your corporate/family team should arrive at Downtown Partnership's corporate tent at Volvo Ocean Race Village around 5:00 p.m. Teams can practice between 5:00 p.m. and

5:45p.m.; the first starting sequence will begin at 6:00 p.m. The exact schedule will be posted online prior to race day and in Downtown Partnership's Race Tent.

Courses

Sailing Site: Inner Harbor – In front of the Maryland Science Center. The races are run around Downtown Partnership marks designated by the Chesapeake Bay Model Racing Association Course Sheet. The course will depend on current wind and weather conditions.

Trophies

At the end of each race series, teams gather at the Volvo Chesapeake Race Village for refreshments and socializing. After all teams have arrived, the top teams will be recognized and presented with trophies and prizes.

Entry Fee

The entry fee for corporate/family teams is \$1,250 made payable to Downtown Partnership. This includes the purchase of a CR-914 model sailboat, entry in the Volvo Chesapeake Regatta series, and official regatta apparel. The sails will be customized with your company name and/or logo; and the model sailboats become the property of your company. The production start deadline will be April 1 for delivery on-site on May 3. Participating companies must provide a high-resolution digital image of your company logo

for application to the main sail.

Annual Event

Downtown Partnership will look to make the Corporate and Family RC Model Sailboat Regatta an annual event.

Please fax your entry form to: 410.244.8670. For more information contact David Carrodine at 410.528.7710.
