

The Ellicott City @ Greater Crofton

*Rotary Club
Regatta*

April 30, 2006

Event Date: Sunday, April 30th, 2006

Hosting Rotary Clubs: Ellicott City Rotary Club (www.ellicottcityrotary.org), Greater Crofton Rotary Club

Purpose: To raise funds for youth outreach sailing programs in the sister state's of Maryland in the USA and Rio in Brazil.

Location: Baltimore Harbor, Port Covington, Maryland

Entry Fee \$1000

What are we going to do?

Rotary clubs from around the world will enter a group to represent their club in the Rotary Club Regatta (RCR). Crewmembers will not all be required to be Rotarians but must be sponsored by a local Rotary club.

The Regatta will be run over the course of one day with a total of 5 races. Points will be awarded in the first 4 races based on finishing position, with the top ten teams (determined by points) racing in the final match.

Lunch and a post race awards ceremony will be included for races.

Who will benefit?

This years RCR will benefit two Youth Outreach Programs, the Downtown Sailing Center in Baltimore, Maryland USA(www.downtownsailing.org) and Projeto Grael (The Grael Project) in Rio, Brazil(www.torben-grael.com/english/graelproject).

By providing a means for disadvantaged youth to experience sailing first hand, they are able to engage in activities that build teamwork, self-confidence and leadership. Students in various programs learn to read, swim, provide first aid, to sail and maintain boats and equipment. Developing the potential of youth, especially those that are disadvantaged, promotes a better humanity.
